

Reading list for children in the context of “History & Culture”.

In children’s books there are a lot of variations with children's literature and some folktales. Children’s folktales/stories book collection there are some books that talk about what children should know about their history and culture in particular seasons and festivals etc. Parents and families play an important role in bringing cultural and historical knowledge to schools where gaps exist, and fostering a sense of global citizenship in their children.

Some of the books are in the age range of 3-8 years old while other books cited over here are the age ranges between 8 to 10 years old and others books with age range 10 above.
